# CULINARY BUSINESS COACH & MENTOR

Chef Deb is an award-winning serial entrepreneur, bestselling author, keynote speaker and culinary extraordinaire who marries her passion for helping chefs and love for food into one with her coaching & mentoring.

She received her culinary training from the Culinary Business Academy and Culinary Institute of America and obtained a Bachelor's Degree in Management from Texas Baptist University.

She has spent thousands on business coaches and owned six successful culinary businesses ranging from a restaurant, catering company to her current 6-figure personal chef business. With her knowledge and experience she has helped chefs across the country double their income in just 6 months and grow and scale a variety of culinary businesses.
